Asbestos Notification

As a result of federal legislation, the Asbestos Hazard Emergency Response Act (AHERA), each primary and secondary school in the nation is required to complete a plan of management for all asbestos-containing building materials. The Fond du Lac Ojibwe School's goal is to be in full compliance with this law and is following the spirit, as well as the letter, of the law. As a matter of policy, the Fond du Lac Ojibwe School shall continue to maintain a safe and healthful environment for our community's youth and employees.

In keeping with this legislation, all eight buildings (including portables and support buildings, see attached list) owned by the Fond du Lac Band were constructed and certified to be free of asbestos materials.

The Fond du Lac Ojibwe School's Asbestos Management Plan is available for review at the school (49 University Road, Cloquet MN 55720). Copies are available at no cost. Questions related to AHERA should be directed to Maria DeFoe, designated Asbestos Program Manager at (218) 878-7259.
