## Mike Himango

We dedicate the 2007 Fond du Lac Ojibwe School Yearbook to Mike Himango. Mike was actively involved during the formative years of the Ojibwe School, serving as the Career Counselor and later as Deputy Director of Education. His commitment to education is apparent. He returned to college as a full-time student, earning a management degree at the College of St. Scholastica and later served as Manager of the Black Bear Casino. He was Chairman of the School Board for ten years, culminating his tenure with the construction of the new school. Mike is currently Executive Director for the Fond du Lac Reservation. We appreciate his continued support of the Ojibwe School and the education of American Indian students.

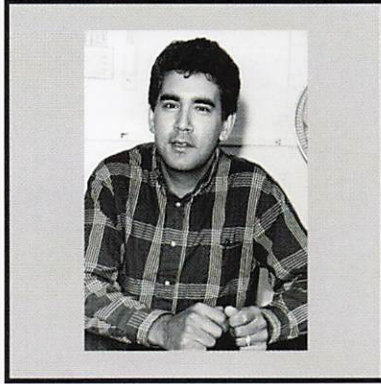

Miigwetch Mike, and we wish you well.

## Fond du Lac Family and Child Education Program

The FACE Program works with families with children prenatal through third grade.

We offer Home Visits with parent educators for families with children prenatal to three years.

Parents with children three years to third grade are involved in center based FACE, where adults and children attend school together. Adults complete educational goals while children attend FACE Preschool or Early 5's through 3rd grade at the Ojibwe School.
