Peter DuFault Memorial Picnic

Peter DuFault Day Observed

Education Department

On May 5, 1980 a resolution was passed by the Fond du Lac Reservation Business Committee declaring May 9 as Peter DuFault Memorial Day. This day is observed each year in recognition of the contributions and years of service exhibited by this late Fond du Lac enrollee. Pete's many years of service to the reservation included, but were not limited to, serving as Secretary Treasurer for the Fond du Lac Business Committee from 1952 until the time of his death in 1978. During those years Mr. DuFault also served on the Minnesota Chippewa Tribal Executive Committee as Secretary Treasurer, Vice Chairman and Chairman. He is remembered as an active Fond du Lac member whose work reflected his desire to see Fond du Lac Reservation thrive.

In celebration of memory of Mr. DuFault, employees of the reservation gathered for lunch on the grounds of the Fond du Lac Ojibwe School on Thursday, May 7. The annual school pow wow was then held in the school gymnasium through the afternoon and evening hours. A feast was provided and served by the faculty and staff of the school. In further commemoration, no school was held Friday, May 8.

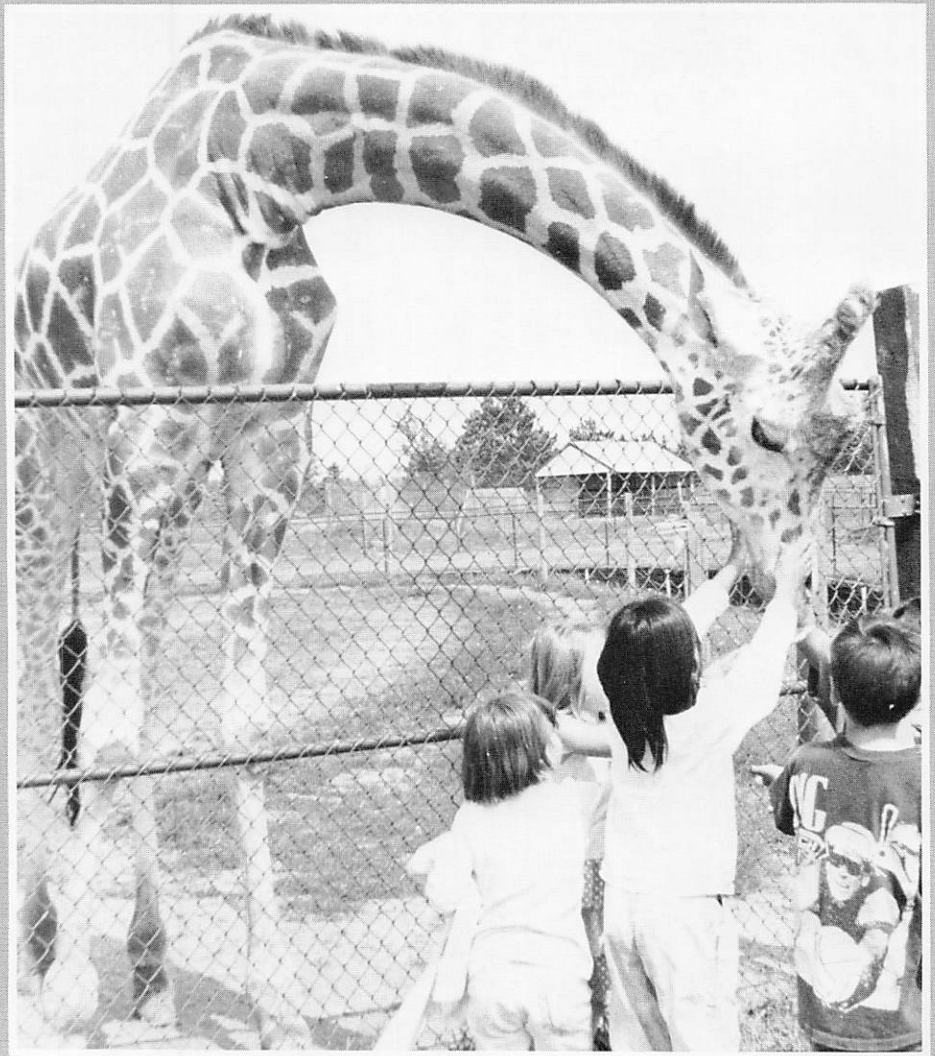

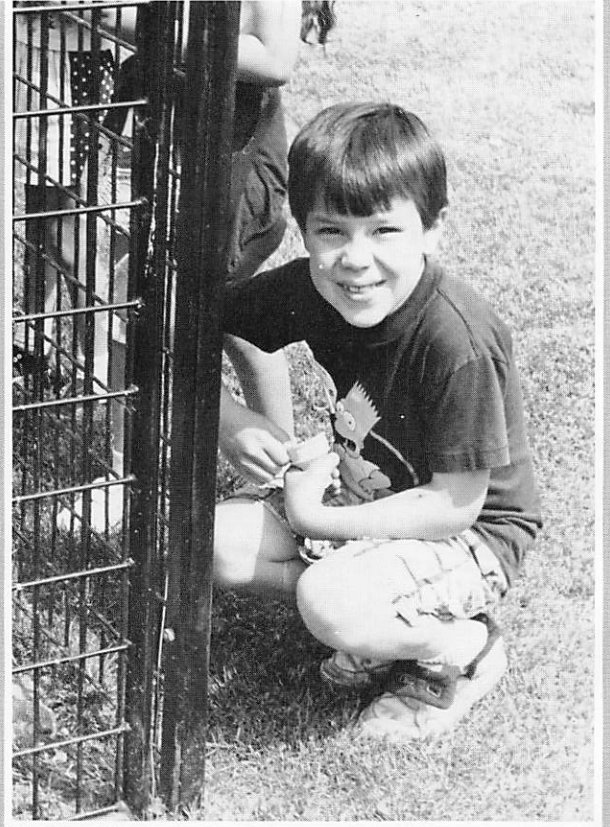

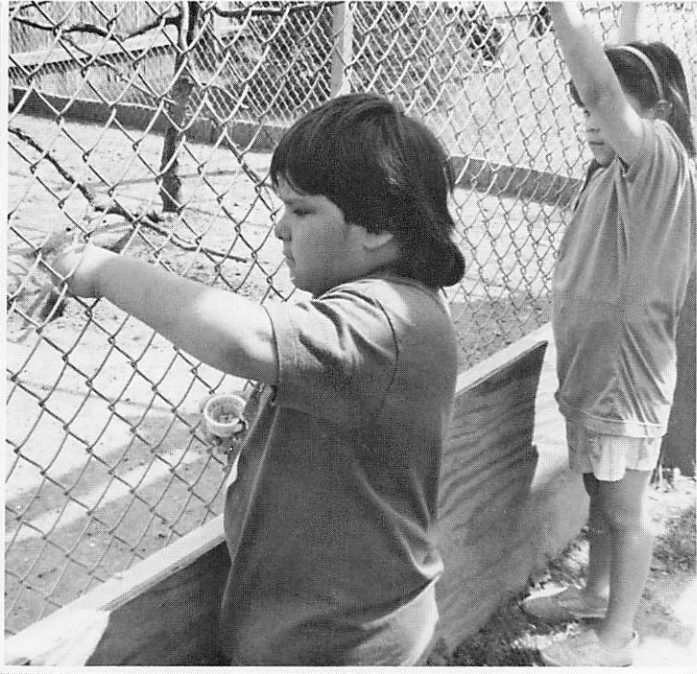

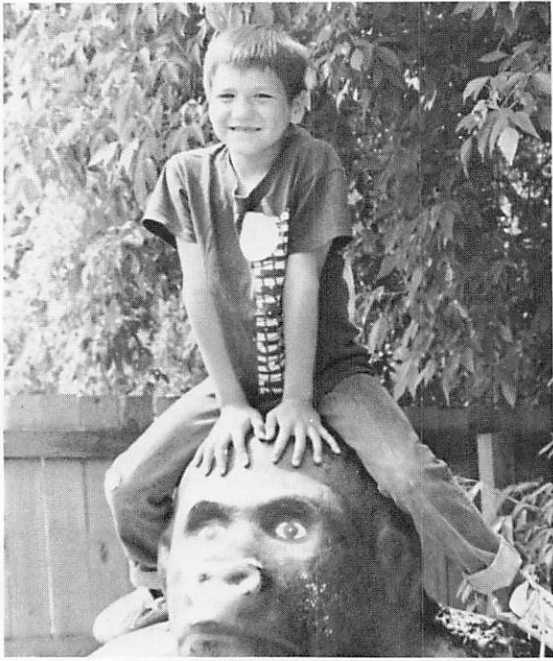

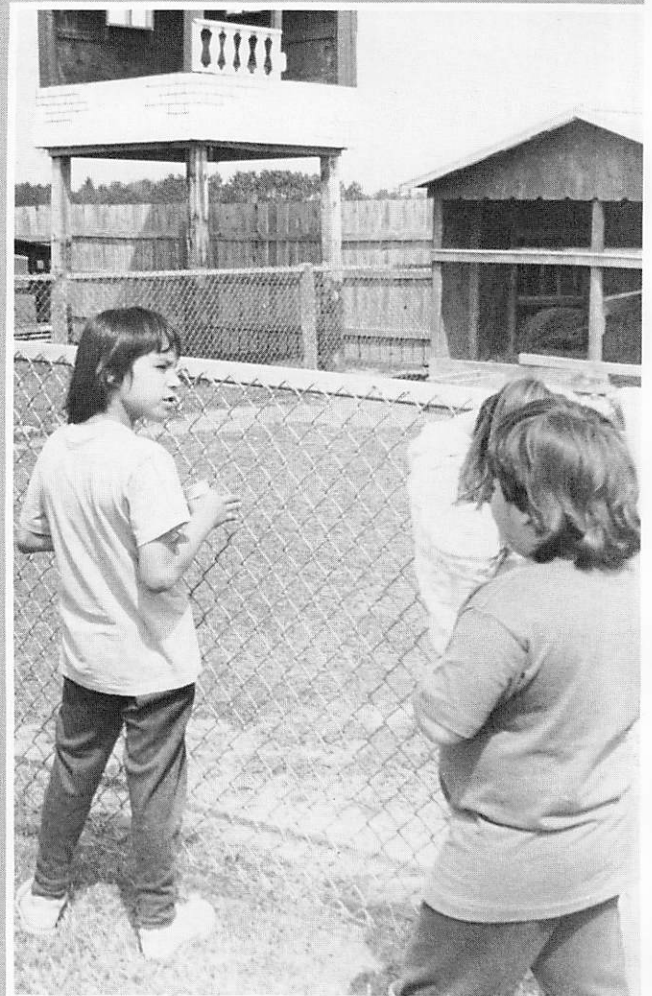

Zoo Trip

Fire Safety

Fire Response Demonstration

by Kristina DeFoe

On April 15, 1992 the fond du Lac Ojibwe School had some visitors. The people who had come to our school were personnel from the fire department.

The elementary students were very interested in what was talked about, they also had the chance to see Smokey the Bear. Students were told what to do in case of a fire situation, one of the things discussed was the "stop, drop, and roll" technique.

A demonstration of a "fire situation" was given. Lit flares were placed on several parts of the lawn and nearby brush areas. Russ Northrup, one of the fire fighters instructing us, told us what was to be expected, then Dan Hertle, from the Department of Natural Resources, called the fire department. Three minutes later, a little truck responded to the call. Two people climbed out of the truck and started getting their equipment on. Shortly after the fire was under control.

The main officer (Dan Hertle) talked to us for a little longer. Completing his discussion and demonstration, Dan directed our attention to the Cloquet Fire Department truck arriving. Two fire fighters started demonstrating some of the equipment on the truck when they had to be called away to respond to a real emergency at Potlatch.

The session ended and most of the students went back into the school. Naomi Northrup and I were fortunate to be allowed to stay outside and watch another demonstration by her father. Russ showed us how one of the pieces of equipment worked and what its purpose was. Naomi tried on one of the backpacks. She didn't seem to mind at all.

Pow Wow

School Pow-Wow

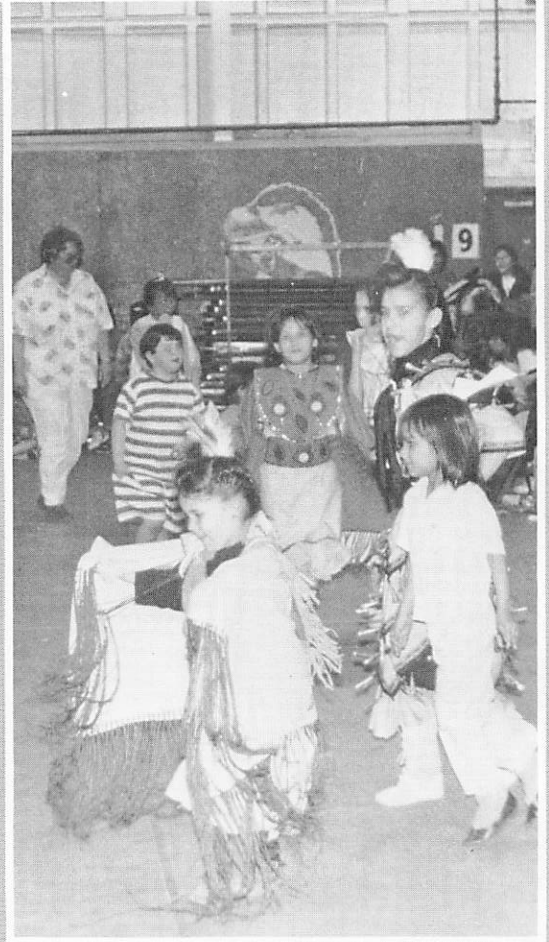

by Nikki Reynolds

On May 7, the school had their seventh annual pow-wow at the Fond du Lac bingo hall and gymnasium. Elders present opened three parts of the day's events. Harvey Thompson offered the opening ceremony and prayer. At the evening feast David Ogema offered thanks for the meal. Louie Councillor presented the evening ceremony for the dances. He was also able to conduct the special ceremony required when a dancer lost a feather during the dance. The host drum was Little Otter, with singers: Pete Gahbow, Eric Gahbow, Ira Aubid, Skin Gautherre, Audi Conner, Keith Smith, Pat Pierre and Amik Smallwood.

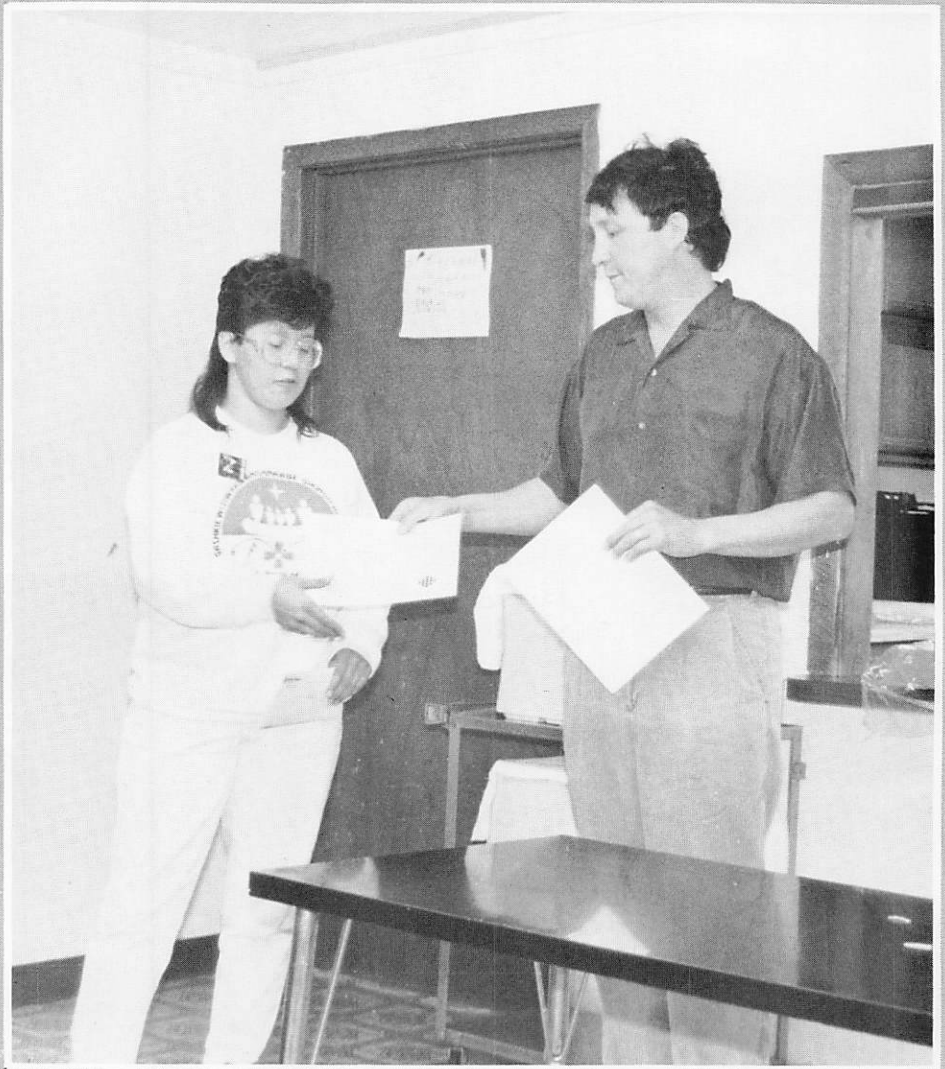

Also chosen by contest were an Oshkiniqikwe and Oshinawe, meaning princess and brave or young lady and young man. Last year's princess and brave were Angel Suttan and Ashibik Aubid. Running for princess this year were Kristina DeFoe and Erin Cash and for brave, tenth grader Dan Lightfeather. Dan and Erin were chosen as this year's winners.

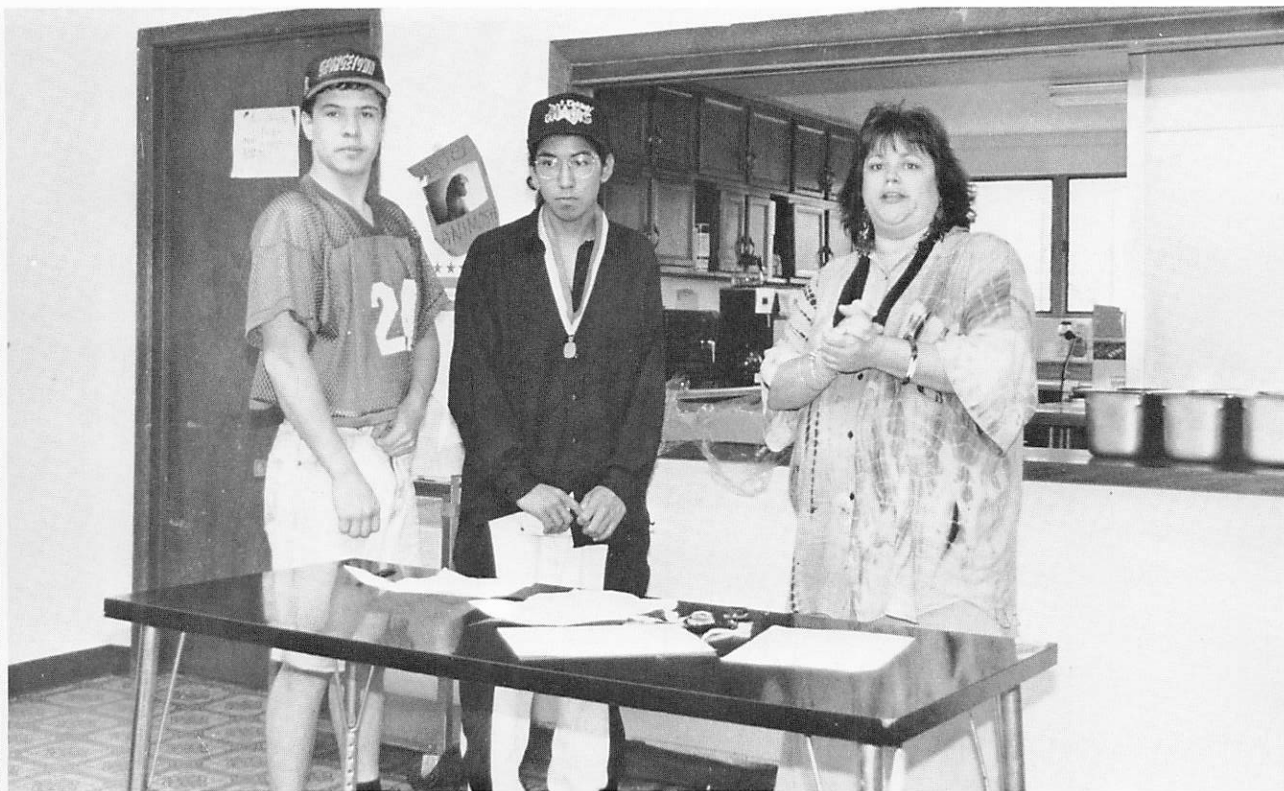

Winners in the junior categories were Fawn McMillen and Christopher Gahbow.

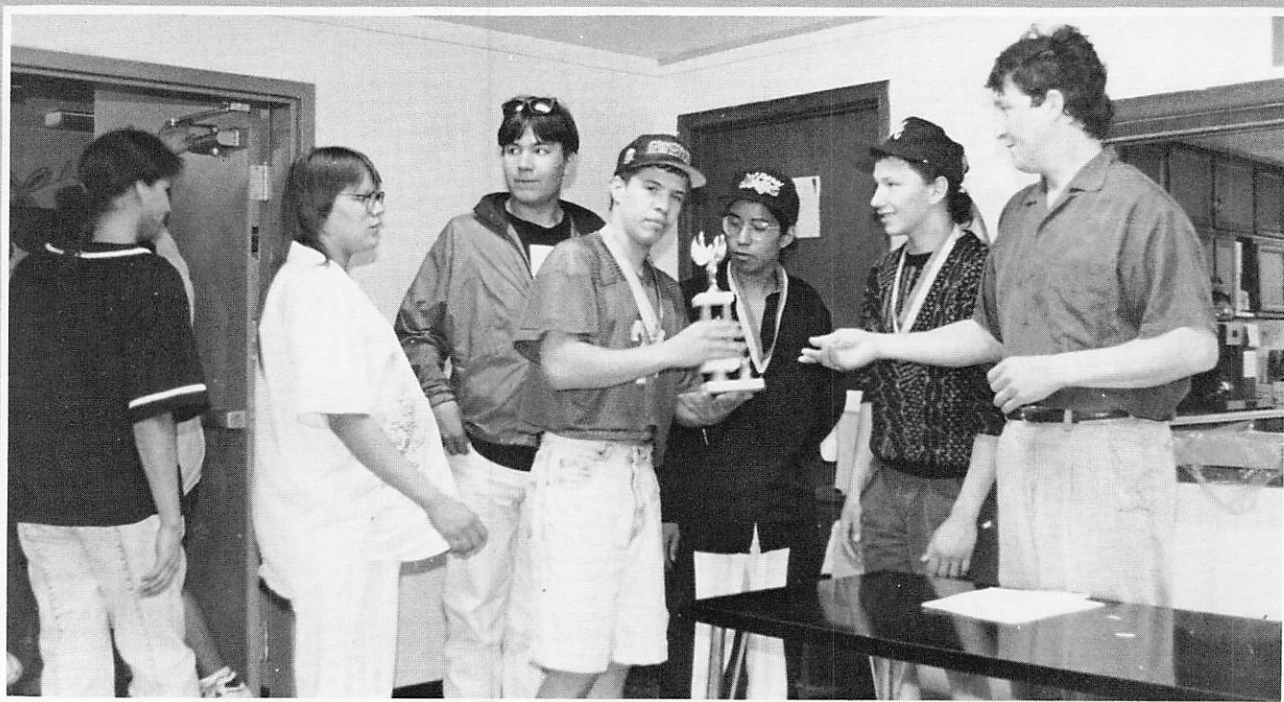

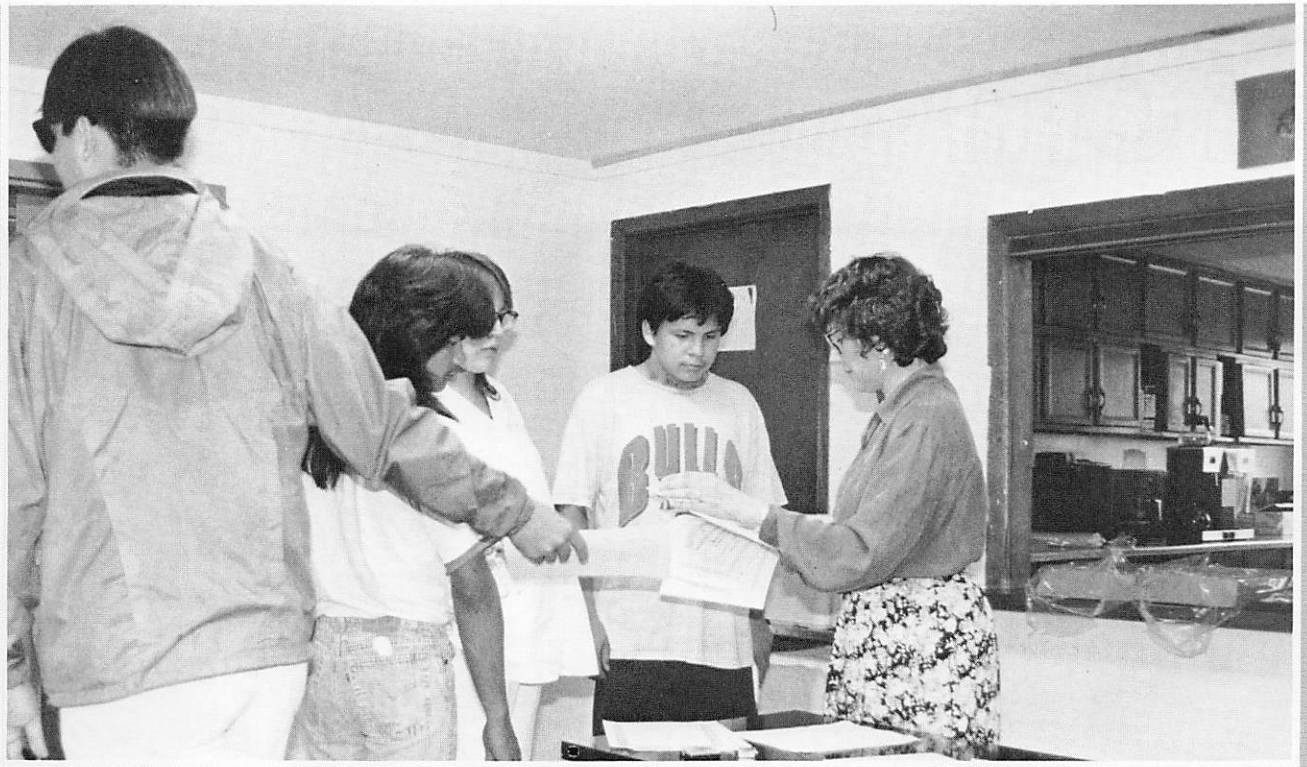

Awards

Prom

Prom Night

by Naomi Northrup and Kristina DeFoe

On May 23, 1992, the Fond Du Lac Ojibwe School had their prom at Southgate Pizza and Grand Slam in Duluth. Around fifty people attended from Fond Du Lac, Cloquet, and Duluth.

Even though the prom was not formal, some students were dressed up for pictures while others brought extra clothes to change into when they arrived at the Grand Slam.

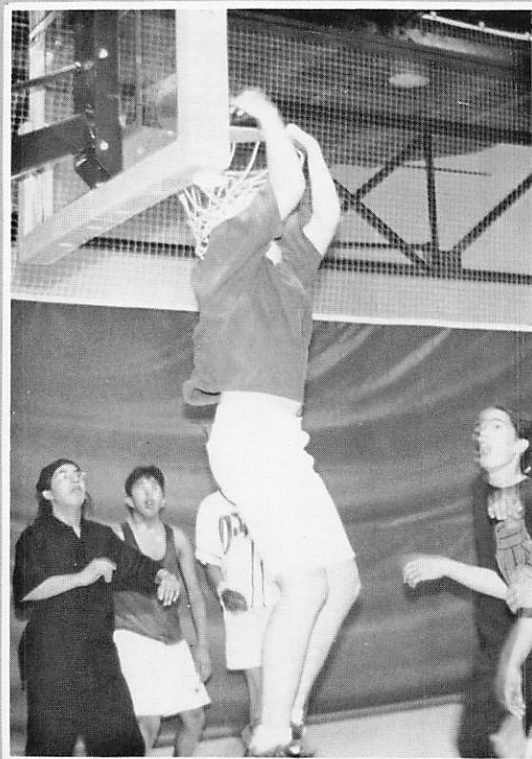

Everyone met at Southgate at nine o'clock to feast on pizza and pop. After the meal, students could go bowling if they felt like it. Bowling finished around at eleven o'clock, followed by a short trip to Duluth to the Grand Slam.

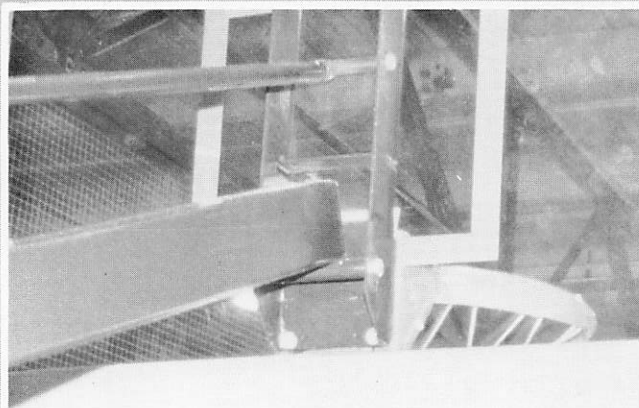

Grand Slam has many activities, such as, basketball courts, pool tables, mini golf course, bumper cars, batting cage, and concession stand. Andrea handed out tickets to students for snacks and pop until one o'clock in the morning.

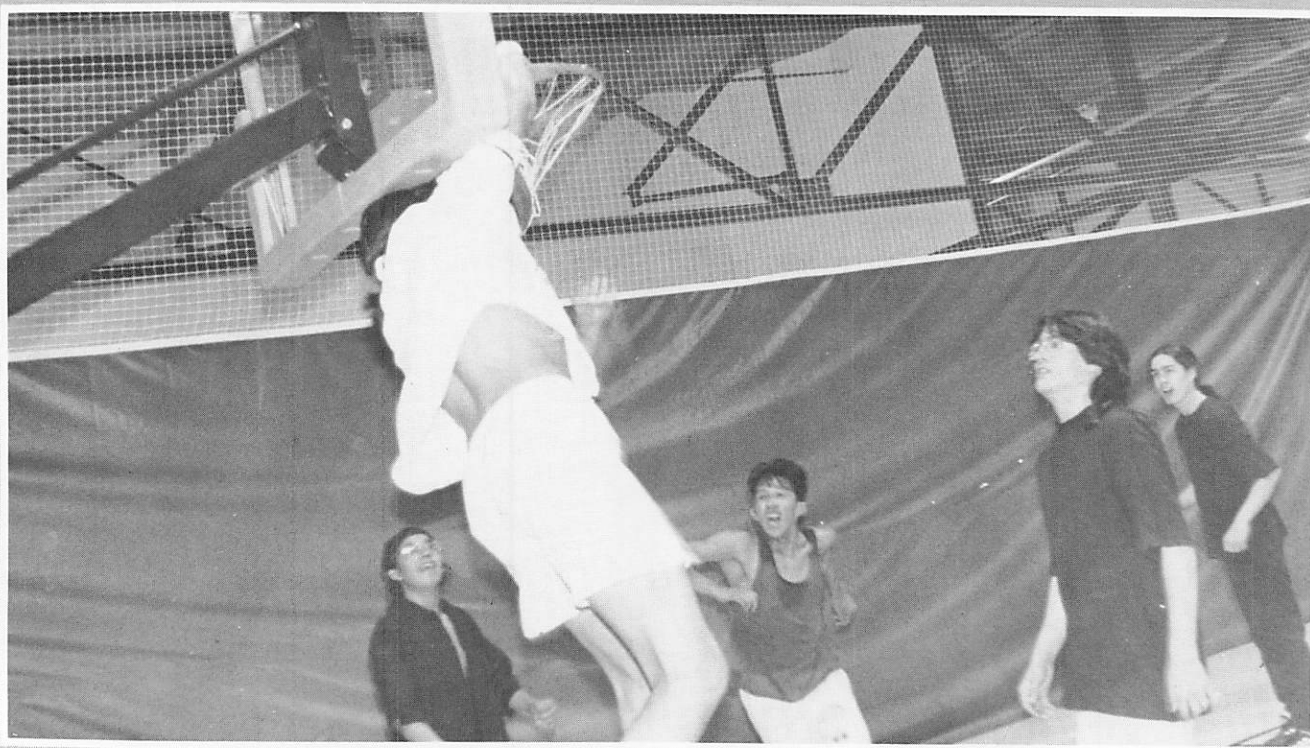

A basketball tournament was held, first place went to Mike Rabideaux and his sons. A pool tournament was also held as well, Mike Peacock and Taire Fox took first place in this event.

Jay Smith and Pete Diver provided music for dancing in the lounge.

Everyone appreciated Andrea and the Junior Class for making this such an event.
