Fond Du Lac Ojibwe Elementary School

2011-2012

Dedication

Mary Sue Provine Northrup

Mary Sue Provine Northrup daughter of Joyce Marie Loons and mother of Clint Northrup, grandmother to Antonio Northrup and mother-in-law to Julia Northrup passed away without warning due to a brain aneurism on December 6, 2011. She was born in Chicago, IL on December 13, 1961 and graduated from South St. Paul High School; she went into the U.S. Army where she worked in communications while serving in Germany. After the service she worked a variety of jobs that included being a camera operator for a TV station, manager and regional manager of chain gas and grocery stores and manager of a resort hotel. Mary then returned to school where she attended Fond du Lac Tribal and Community College and received her Bachelor's of Science Degree in Social Work from the College of Saint Scholastica; she then worked as a social worker. Mary was a strong believer in education and always encouraged others to continue their education. Mary served on Fond du Lac Ojibwe School Board for 10 years and then worked as a secretary at the Fond du Lac Ojibwe School; she then served as the Fond du Lac Veterans Service Officer and then was elected to serve as the Fond du Lac Brookston RBC Representative;

Many of the children at the Fond du Lac Ojibwe School called her "Aunt Mary" she was an avid reader as are all of the girls in our family; as children we would walk to the library check out books weekly. Our mother encouraged us to read for enjoyment and education and passed on her love of history to us.

My sister Mary will be missed by many..... Miigwech
